

Welcome to your Project Translate assignment! On the left of this doc there is a tab labelled "English Doc," this is your assignment! Do not translate anything that has been commented on. There is no wrong way to organize your work, but when you are done please make sure it is all on this document.

If you have any questions about this assignment do not hesitate to reach out to either Nishka or Vishakha!

If you know you will not be able to finish the assignment before the due date, email either of us for an extension!

When you are finished translating please **EMAIL** both Nishka and Vishkha to let them know you are done and if you'd like another assignment (if not tell us you don't want one)!

Due October 7th
